POWER TWIST LINK BELT

ONE SIZE FITS ALL

ELIMINATES INVENTORY OF MULTIPLE SLEEVES FOR
EACH WIDTH

Sizes range from 3L - A - B - C - D

Reduce your belt inventory to one box (25 Ft. of belting) for each width rather than storing multiple lengths of rubber belt sleeves which will deteriorate when hanging on the wall over a long period of time. The Power Twist Belt absorbs vibration, will not deteriorate and no disassembly of equipment needed when installing.
